Key Findings

- Waterfowl Warmup has become a well-recognized annual event that raises awareness of the Report A Poacher Program.
- 82 participants on 20 teams took part in the event this year.
- This year will be the last year that this event will take place as it is no longer financially viable.

Details

Waterfowl Warmup is a fundraiser in support of Report A Poacher (RAP). Proceeds from the event support efforts to educate the public about responsible hunting and angling and the negative impacts of poaching. In all, 20 teams participated in Waterfowl Warmup this year. Wild game appetizers, a BBQ lunch, shotgun demo stations, and exhibitors such as Bear Scare Ltd, Canadian Premier Hunts and Final Approach helped round out this enjoyable event. The winning team name and members' names were added to the Waterfowl Warmup plaque on display at Alberta Conservation Association's office in Sherwood Park. Winning team members each received an individual trophy and prize bag to take home. We are thankful to all those who sponsored and partnered with this event both this year and in years past, however, this event is no longer moving forward in the future as costs have become too prohibitive to hold the event and raise proceeds for the program.
