Key Findings

- About 634,644 page views of our website between April 1, 2018, and March 31, 2019.

Introduction

ACA's website provides an accessible gateway to information about our work using current technology to engage users. It is perhaps the primary platform we use to work toward increasing our profile in Alberta, one of the long-term goals of ACA's 10-year Strategic Business Plan.

Methods

We continually monitor and update website content to ensure that the most recent and accurate information is provided and that all links, downloads, and postings are valid and functional. We also focus on always implementing search engine optimization practices.

Results

In 2018/19, the ACA website achieved approximately 634,644 page views, with the average user spending 3:03 minutes per visit.

Conclusions

The ACA website is a convenient and valuable tool to profile ACA conservation projects, member groups, and publications.
