Abstract

Advertising is key to achieving a number of long-term goals within the *Strategic Business Plan*, primarily to increase public recognition of ACA’s brand; to increase conservation awareness by creating positive profiles of hunting, fishing, and trapping; and to develop corporate partnerships. Project or event promotional advertising engages various audience targets and supports ACA’s public brand recognition. Our “It’s an Alberta Thing” campaign is a direct, non-government and contemporary approach for establishing relationships with stakeholders.. This is significant for keeping conservation valued within today’s varied priorities and cultures.

Advertising supports several ACA programs, projects, and events including Report A Poacher, *Alberta Discover Guide*, ACA Fish Stocking project, Taber Pheasant Festival, peregrine

cameras, Corporate Partners in Conservation Program, ACA/4-H Pheasant Raise and Release Program, and Kids Can Catch Program.
