**Introduction**

The Information, Education, and Communications Resource Program provides creative and technical services to the President & CEO; Human Resources and Business Development teams; and the Wildlife, Fisheries, and Land Management resource programs. This team works with program managers, regional managers, and project leads to ensure they receive the media and materials needed for the success of their programs and projects.

## **Methods**

The team works closely with program managers and regional managers to identify and pre-approve project communications needs, as well as to ensure all programs and projects are represented appropriately. Some of this work includes providing technical support for preparing reports and other print media, developing key communications materials to ensure appropriate branding and messaging, developing and producing signage, and coordinating Alberta Conservation Association (ACA) fleet vehicle decaling.

## **Results**

The Information, Education, and Communications team provided all planned and approved communications needs and also addressed any unforeseen needs.

## **Conclusions**

Developing effective internal communications is an essential component of our overall operations as well as our programs and projects.
