

# Alberta Conservation Association Research Grants

April 1, 2023 to March 31, 2024

## Cooperative Project Agreement

Between

**ALBERTA CONSERVATION ASSOCIATION (ACA)**

-and-

**RECIPIENT**

**Principal Applicant:**

**Project Title:**

**Project Code:**

**Maximum Funding: \$**

**Effective Date:** April 1, 2023 to March 31, 2024

---

### A. ACA PROJECT ADMINISTRATION CONTACT:

The funding recipient shall direct all questions and communications regarding this project to the Grants Project Administrator.

Alberta Conservation Association, Attn: <b>Grants Project Administrator</b> #101, 9 Chippewa Road, Sherwood Park, AB, T8A 6J7	Toll Free #: 1-877-722-4323 Facsimile: 780.464.0990 Email: <a href="mailto:amy.mackinven@ab-conservation.com">amy.mackinven@ab-conservation.com</a>
---	---

### B. FUNDING TERMS AND CONDITIONS

#### The Alberta Conservation Association Agrees to:

Provide a maximum contribution of \$ ( **dollars** ) during the 2023 - 2024 fiscal year (April 1 to March 31) to support this project. Payments are contingent upon receipt of appropriate invoice. Payments will be made as per Schedule B, attached.

#### The Grant Recipient Agrees to:

1. Conduct the project according to the plan specified in the project proposal submitted to ACA (Schedule A).
2. Obtain ACA's approval on any departures from the project proposal (Schedule A) that alter the potential for achieving the objectives and deliverables of the project.
3. Provide ACA with all reports specified in Section D.
4. Acknowledge the contributions of Alberta Conservation Association in all reports, presentations and publications resulting from the project.
5. Use these funds exclusively on direct expenses associated with this project as identified in the project proposal submitted to ACA (Schedule A).

6. Include with the final report (**due on or before March 15, 2024**) a financial accounting of all expenditures of these funds (see Schedule C).
7. Assume responsibility for any expenditure of funds beyond those approved in Section B of this agreement.
8. The Successful Applicant shall perform all work in accordance with all applicable laws, regulations, rules, codes and ordinances of authorities having jurisdiction and will obtain any and all permits/licenses and permissions required to carry out activities described in this agreement.
9. Applicants, and the institutions and organizations they represent or by which they are employed, assume complete responsibility for carrying out their project and for the results thereof.
10. By accepting a grant of funds, the applicant and the institution or organization release, and agree to indemnify, Alberta Conservation Association and its directors and officers from and against any liability, damages, cost and expenses arising from any injury or damage whatever, that may be suffered or incurred by an individual, firm, corporation or agency and which is caused or contributed to, directly or indirectly, by the operations of the applicant, his or her institution or organization or by use and application of the grant funds.
11. Starting in 2021-22: Journal articles resulting from ACA's funding will be published in open-access publications. Following the lead of the Natural Sciences and Engineering Council of Canada, ACA has adopted a new guideline with respect to publication of results related to ACA funded grants. Grant recipients are encouraged to ensure that any peer-reviewed journal publications arising from ACA-supported research are freely accessible within 12 months of publication. Two options are available to recipients:
  - a. **Online Repositories**  
Grant recipients can deposit their final, peer-reviewed manuscript into an institutional or disciplinary repository that will make the manuscript freely accessible within 12 months of publication. It is the responsibility of the grant recipient to determine which publishers allow authors to retain copyright and/or allow authors to archive journal publications in accordance with funding agency policies.
  - b. **Journals**  
Grant recipients can publish in a journal that offers immediate open access or that offers open access on its website within 12 months. Some journals require authors to pay article processing charges to make manuscripts freely available upon publication. The cost of publishing in open access journals is now an eligible expense under ACA granting guidelines. Up to \$3,000 may be identified specifically for publication in open access journals, in any grant application. The funds identified in any successful grant application for open access journal publication will be held by ACA for a period of five years from the date of initial grant approval. During the five-year period the recipient may apply to ACA for release of the publication funds, once recipient provides confirmation that the research has been accepted in an eligible journal.

## C. BUDGET EXPENDITURES

1. Funds provided by ACA must be spent in accordance with the deliverables of the project. Deviations from the budget are allowed and are of the discretion of the recipient as long as the objectives from the original project are still achieved. All supporting receipts will be required with submission of the final report.
2. All capital assets (items with a useful life greater than one year) purchased for your project with ACA funds are the property of ACA, and, accordingly ACA must be made aware of any assets purchased. In special cases assets may remain the property of the recipient. Assets purchased with ACA funds are to be returned to the ACA Contact upon completion of the project. **Capital Assets are items >\$500.00 that can be reused on other projects.**

**D. REPORTING REQUIREMENTS-** refer to **Schedule C** for a more detail.

The Funding Recipient will provide the ACA Contact with the following documents:

1. **One interim update on activities related to the project will be required on or before September 1, 2023: (See Schedule C).** Included in this report should be a detailed description of activities, objectives, deliverables/achievements, Request for Payment or invoice.
2. **A final project report is required on or before March 15, 2024.** Included in this report should be a detailed description of activities, objectives, deliverables/achievements, Request for Payment or invoice, and an accounting of how ACA funds were expended. **(See Schedule C)**
3. **Any other reports or deliverables** generated as a result of your project specified in the project proposal **(Schedule A)**.
4. Links to or copies of open-access publications, either in **Online Repositories** (Grant recipients can deposit their final, peer-reviewed manuscript into an institutional or disciplinary repository that will make the manuscript freely accessible within 12 months of publication. It is the responsibility of the grant recipient to determine which publishers allow authors to retain copyright and/or allow authors to archive journal publications in accordance with funding agency policies) or **Journals** (Grant recipients can publish in a journal that offers immediate open access or that offers open access on its website within 12 months).
5. At the request of the ACA Contact, you may be invited to make a presentation of the project.

**Note:** Final Payment of the project grant and future funding by ACA is contingent upon meeting all of the reporting requirements listed above. Failure to comply with these conditions may impact future funding.

**E. ACKNOWLEDGEMENT OF ACA**

Grant recipients are expected to acknowledge Alberta Conservation Association in all reports, presentations, publications and press releases concerning the project. Whenever possible the ACA logo should appear along with the acknowledgement. The ACA Contact will provide a copy of the ACA logo in an electronic format at your request.

Preferred Acknowledgement text:

***This project is financially supported by the Alberta Conservation Association.***

**F. EXTERNAL FUNDS HELD BY ACA**

ACA will receive and administer external funds for your project, if requested. Cheques must be made payable to Alberta Conservation Association and should be accompanied by a letter from the donor specifying the amount of the donation, and the project to which funds should be directed. If external funds are expected to be administered by ACA, please list below.

## G. ADDITIONAL SPECIFICATIONS

**Inspection and Audit:** Alberta Conservation Association is entitled to have its authorized agents review files, documents, accounting records, the premises of the Recipient, and any other locations and assets pertinent to the Project in order to assess whether the Recipient is in compliance with this Agreement.

**Termination:** If the Recipient declines to continue with the project once funds have been disbursed, or has breached any of its obligations pursuant to this Agreement, Alberta Conservation Association may pursue remedies at its discretion, including giving written notice of termination of support to the Recipient, and after 10 days may demand payment of any portion of the funds that have not either been expended, or committed to be expended at that date.

**Force Majeure:** If the performance by either party (ACA or Recipient) of any of its obligations under this Agreement is delayed or prevented by circumstances beyond its reasonable control, including without limitation acts of God, war, terrorism, pandemics, epidemics, or insolvency, that party will not be in breach of this Agreement because of that delay or failure in performance.

**COVID-19:** During the COVID 19 outbreak the future of many companies and institutions in Canada and around the world is in question. ACA believes we have the financial stability to weather this crisis and continue to fund a wide range of conservation related projects. However, owing to the rapidly changing environment, there is the potential that ACA may find itself in a situation where significant cost cutting must occur in order to ensure the long-term viability of the organization. By accepting this Cooperative Project Agreement, the Recipient acknowledges and accepts that funding may be terminated with 30-days notice. All expense incurred as part of the project as of the date of the termination will be covered by ACA. ACA will make all reasonable effort to avoid having to terminate funding.

The COVID 19 outbreak could still impact many projects planned for spring and summer 2023. ACA will issue extensions for up to one year for projects which cannot proceed this year due to recommendations put in place to reduce spread of the virus. Recipients will inform ACA immediately of any delays or potential for cancellation of the project so that appropriate mechanisms for project extension can be implemented where appropriate.

## H. ACKNOWLEDGED BY APPLICANT AND SIGNATURES

The Applicant and/or Project Manager acknowledge that they have read, understand, and will comply with the terms of this 8-page agreement including the attached schedules. Failure to comply with the terms of this agreement will result in the holdback of funds and may negatively impact future funding eligibility.

**SCHEDULE A**

**PROPONENT'S PROJECT PROPOSAL**

The attached proposal, "" serves as a description of the Project.

## **SCHEDULE B**

### **PAYMENT SCHEDULE 2023 - 2024**

Alberta Conservation Association will disburse the funds according to the following schedule.

**Please Note:**

**A Request for Payment or an invoice for each scheduled payment must be submitted to Alberta Conservation Association before payment will be processed. Please ensure that the Project Code is clearly identified on each Request for Payment.**

Project Title:

Project Code:

Maximum Funding:                   \$

The maximum contribution of **\$ ( dollars)** for the 2023-2024 fiscal year will be divided into payments, as follows:

**Payment One:**

An initial contribution of **\$** will be forwarded to you following receipt of this signed agreement by all parties and the attached Request for Payment or invoice.

**Payment Two:**

**\$** will be paid upon receipt of an interim report and Request for Payment or invoice on or before September 1, 2023.

**Final Payment:**

The remaining **\$** will be forwarded to you following the receipt of the final report and Request for Payment or invoice on or before March 15, 2024 and upon approval of all other reporting requirements by the ACA Contact.

**Open-Access Publication Costs:**

of costs associated with publishing in an open-access publication as specified in the applicant's proposal (Schedule A) will be paid on receipt of confirmation of acceptance of publication in an open-access journal within 5-years of the start date of this agreement (April 1, 2023).

Please refer to **Schedule C** of the Project Agreement for details on reporting requirements.

## **SCHEDULE C**

### **Reporting Requirements**

#### **Interim Update Report**

**Submission Date: September 1, 2023**

The interim report should be in the ACA template, which can be found on our website at: [www.ab-conservation.com](http://www.ab-conservation.com).

#### **Final Administrative Report**

**Submission Date: on or before March 15, 2024**

The final administrative report should be in the ACA template, which can be found on our website at: [www.ab-conservation.com](http://www.ab-conservation.com). Please also send scanned copies of receipts and invoices associated with expenditures of this grant with the final administrative report. The financial component of the final report can be submitted in April or May if ACA funds are being spent between March 15<sup>th</sup> and March 31<sup>st</sup>, 2023.

Please send electronic copies of reports where possible.

#### **Final Project Report**

Any other reports or deliverables generated as a result of your project specified in the project proposal (Schedule A).

#### **Open-Access Publications**

Send the ACA contact notification of any open-access publications resulting from this grant funding. Two options are available to recipients:

a. **Online Repositories**

Grant recipients can deposit their final, peer-reviewed manuscript into an institutional or disciplinary repository that will make the manuscript freely accessible within 12 months of publication. It is the responsibility of the grant recipient to determine which publishers allow authors to retain copyright and/or allow authors to archive journal publications in accordance with funding agency policies.

b. **Journals**

Grant recipients can publish in a journal that offers immediate open access or that offers open access on its website within 12 months.
