

GECF 2003 - 2004 Project Title	Approved Funding Level	Proponent
Population Survey of the Nevada Buck Moth	\$1,000.00	Individual
Response of Landscape Connectivity, Spatial Movement Patterns and Habitat Interactions of Wildlife to Human Disturbance and Associated Landscape Change	\$1,000.00	University of Calgary
Calgary Urban Fishing Education Program, Fishing Rod Loaner Program	\$1,200.00	Fishing Alberta
Tide Creek Beaver Management Project	\$2,070.00	Alberta Fish & Game Association
Effects of introduced trout on the demography, life history, and behaviour of long-toed salamanders (<i>Ambystoma macrodactylum</i>)	\$4,358.00	University of Lethbridge
Instream Structures in Clear Creek	\$4,823.00	Central Alberta Chapter of Trout Unlimited
Edmonton Urban Fishing Program	\$4,880.00	City of Edmonton Community Services
A "Harvest License" for Eastern Slopes Stream Angling: Assessing Precedents, Feasibility, Mechanisms and Public Interest	\$5,950.00	University of Calgary, Faculty of Environmental Design
Cutbank Lake Aeration	\$6,000.00	Cutbank Lake Foundation
Long-term (16-year) Effects of Hexazinone Application on Regenerating Aspen Stands	\$6,502.00	University of Calgary, Faculty of Environmental Design
Muir Lake Project	\$6,965.70	Edmonton Trout Fishing Club
Innovation Alberta Omnimedia Project	\$7,000.00	Porcupine Stone Productions
Conservation of yuccas and yucca moths at the northern edge of range	\$7,163.00	University of Alberta
The effect of alternative prey on coyote predation on deer	\$7,406.00	University of Lethbridge
Hunters Who Care "Deer for the Foodbank Program"	\$7,500.00	Alberta Hunters Who Care Association
The North Raven River Beaver Management Project	\$7,500.00	Central Chapter, Trout Unlimited Canada
Conservation of Medicine Hat's Natural Areas	\$7,700.00	Society of Grasslands Naturalists
Seasonal Staff at Alford Lake Conservation Education Centre	\$8,000.00	Conservation Education WISE Foundation
Block Funding for Province Wide AFGA Club Projects	\$8,460.00	Alberta Fish & Game Association
Alberta Conservation and Hunter Education Program Manual	\$10,000.00	Conservation Education WISE Foundation
Boreal Forest Research Centre	\$10,000.00	Boreal Forest Research Centre
Evaluation of breakaway snares to capture coyotes and release deer in Alberta	\$10,000.00	Alberta Research Council
Opportunities For Birders (OFB)	\$10,000.00	Federation of Alberta Naturalists
The Who, What and Why of Beaverhill Bird Observatory - Fostering An Appreciation For The World Around Us	\$10,000.00	Beaverhill Bird Observatory

Genetic Diversity and Paternity Analysis of Endangered Canadian Sage-Grouse	\$10,500.00	University of Alberta
Recreation and Wildlife in the Rockies of Southwestern Alberta: Human Use and its effects on wildlife, riparian areas and regional connectivity	\$10,750.00	The Miistakis Institute for the Rockies
Boreal Forest Landbird and IBA Species Monitoring Project	\$11,000.00	Lesser Slave Lake Bird Observatory
Ya Ha Tinda Elk and Wolf Project	\$11,950.00	University of Alberta
Aquatic invertebrate biodiversity of riverine ecosystems in the South Saskatchewan Drainage Basin.	\$12,000.00	University of Calgary
Responses of resident bird communities to forest loss and fragmentation	\$13,200.00	University of Alberta
Tide Creek Spawning Bed Evaluation	\$13,500.00	Western Walleye Council; Millet Fish and Game
Wildlife is Everywhere Kits	\$14,000.00	Conservation Education WISE Foundation
Effects of disturbances on the behaviour and movement of pronghorn antelope in Alberta.	\$15,000.00	University of Calgary
Trumpeter Swan Habitat Stewardship Project	\$15,000.00	Ducks Unlimited Canada
Up the Creek: a river in your school project	\$15,000.00	Evergreen Theatre Society
The Living by Water Project	\$19,264.30	Federation of Alberta Naturalists
North-central Alberta Non-game Fish Status Assessment	\$21,350.00	Provincial Museum of Alberta
Conservation of Large Carnivores in Fragmented Landscapes: Using Habitat and Movement Models to Define Wildlife Corridors in the Rocky Mountains	\$21,900.00	University of Alberta
Wetland Development Specialist – Pearce Estate Park Interpretive Wetland	\$22,000.00	Sam Livingston Fish Hatchery Volunteer Society
Monitoring Important Bird Areas (MIBA)	\$24,974.00	Federation of Alberta Naturalists
Developing a habitat-based population viability model for Sage Grouse in southeastern Alberta	\$25,000.00	University of Alberta
TUC Staff Support	\$25,000.00	Trout Unlimited Canada (Alberta Council)
Wolverine Population Status and Ecology in Alberta	\$25,000.00	Alberta Research Council
Migratory songbird response to levels of salvage logging of fire landscapes of northeastern Alberta	\$25,300.00	Canadian Wildlife Service
Physiological, Behavioral and Ecological Responses of Mule Deer and White-tailed Deer to Drought Conditions in East-Central Alberta	\$25,549.00	University of Alberta
Boreal Caribou Research Program	\$30,000.00	Boreal Caribou Committee
Effects of access and hunting on the behavior and demographics of black	\$30,000.00	University of Alberta

bears		
Conservation of lake sturgeon (<i>Aspenser fulvescens</i>) in the South Saskatchewan River	\$31,500.00	University of Alberta
Whirling Disease Sentinel Study (2003)	\$32,585.00	Individual
Implications of habitat loss and fragmentation for boreal forest birds	\$36,450.00	University of Alberta
Operation Grassland Community	\$37,500.00	Alberta Fish & Game Association
Hunting For Tomorrow Foundation – Working Group Deliverables	\$45,000.00	Hunting For Tomorrow Foundation
Integrated Landscape Management Program at the University of Alberta	\$48,000.00	U of A, Integrated Landscape Management Program
Atlas of Breeding Birds of Alberta: Update Project	\$56,250.00	Federation of Alberta Naturalists
Alberta Fish and Game Association Stewardship and Conservation Programs Delivery	\$60,000.00	Alberta Fish & Game Association
Alberta Riparian Habitat Management Program - Cows and Fish	\$60,000.00	Alberta Riparian Habitat Management Program - Cows and Fish

56 Approved Applications for Funding	\$1,000,000.00
